

POLICY

No. 3022

Page 1 of 1

QUALITY OF GOODS AND SERVICES

The quality of goods and services purchased by BOCES shall be determined primarily by the intended use of such goods and services.

In general, the Purchasing Agent, in consultation with program administrators, shall purchase the quality of goods and services necessary to meet the need at the lowest possible cost.

Adopted: May 16, 1983
Ratified: June 20, 1983
Amended:
